- **Durable 304 Stainless Steel**
  Constructed from 304 stainless steel with 1.62" legs for structural support.
- **NSF Listed Construction**
  Certified for commercial foodservice use and includes a 2 years limited warranty.

PRODUCT OVERVIEW

The Medal Equipment ME-3672WTUC-16G commercial work table is designed for restaurants, catering kitchens, and institutional foodservice operations. Its rectangular layout and standard duty construction support daily food preparation and staging tasks. The unit is constructed from 304 stainless steel with a silver finish.

Measuring 36" x 72" with a 34" overall height, this table provides an extended work surface for high-volume prep. The 16 gauge stainless steel tabletop supports up to 640 lb, accommodating ingredients, equipment, and kitchen tools.

An adjustable undershelf made from 430 stainless steel offers added storage below the work area. Built with 16 gauge thickness, the undershelf supports up to 410 lbs for organized placement of containers and supplies.

The table stands on 1.62" stainless steel legs and includes four 5" casters, 2 with brakes for controlled mobility. It is NSF listed and backed by a 2 years limited warranty from the manufacturer.
