 Two adjustable PVC-coated shelves allow easy customization for different storage needs.
- ✓ Smooth Mobility**
 Four heavy-duty casters with brakes provide stability and easy repositioning.
- ✓ Certified Safety**
 ETL Listed and ETL Sanitation Listed for commercial foodservice applications.

PRODUCT OVERVIEW

The IceVault Series IVST46 Sandwich and Salad Prep Table is a commercial foodservice equipment solution designed for restaurants, hotels, and catering kitchens. Built from stainless steel and aluminum with a sleek silver finish, it offers both strength and durability for daily use. With a 13 cu. ft. storage capacity, it provides ample refrigerated space and accommodates 12 pans (1/6 size) on the standard top.

This commercial sandwich and salad prep table operates on 115 V, 60 Hz, 1-phase power, drawing 4.9 amps with a reliable 1/2 HP compressor. Using R290 refrigerant, it maintains a consistent temperature range of 33°F to 40°F to keep ingredients fresh. The two self-closing solid swing doors are equipped with a 90-degree stay-open feature for easy access. The interior is made of stainless steel and includes 2 adjustable PVC-coated shelves for flexible storage.

Measuring 48" W x 29.5" D x 41.5" H, this freestanding prep table is designed with 4 heavy-duty casters with brakes for smooth mobility and stable placement. It features a NEMA 5-15P plug for quick installation. The unit is ETL Listed and ETL Sanitation Listed, meeting international safety and sanitation standards. It is backed by a 1-year parts and labor warranty and a 1-year compressor warranty for reliability.
