 It includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The Frost Italian Ice Cart / Frozen Dessert Cart is designed for frozen dessert service, catering, events, and mobile food operations. This RollnServe Series ice cart uses stainless steel construction, aluminum flooring, and a uni-body painted steel frame.

The cart measures 60" (L) x 42" (W) x 42" (H). It includes a listed freezer capacity of 7 cb3 and operates on electric/battery power.

The self-contained pressurised hot and cold water system includes 10 gal fresh water capacity, 15 gal grey water capacity, a 2.5 gal water heater, and a quick-drain ball valve. A stainless steel sink is included.

The cart uses two 12V deep-cycle batteries, an included battery charger, and a 3,000 Watt power inverter. It is towable and pushable, with cushioned suspension, safety chain harness, removable tow bar with swivel wheel, two retractable jack stands, tail lights, cart schematics, and one metal VIN plate with three decals. No cart sign is included. It includes a 1-year warranty by the manufacturer.
