- ✓ Smooth Mobility**
 Four heavy-duty casters with brakes provide safe movement and stable placement wherever needed.
- ✓ Standard Plug Type**
 Equipped with a NEMA 5-15P plug for straightforward connection to typical outlets.
- ✓ Warranty Support**
 Comes with a 1-year parts and labor warranty and a 1-year compressor coverage for commercial use.

PRODUCT OVERVIEW

The IceVault Series IVPT71 freestanding pizza prep table is designed for commercial kitchens and pizzerias, offering 17 cubic feet of storage with a functional prep surface and space for ingredient pans. This unit features 2 self-closing solid swing doors with recessed handles, along with a 90-degree stay-open function for convenience.

This restaurant prep table accommodates nine 1/3-size pans, making it suitable for pizza and sandwich preparation. The cabinet interior is made of stainless steel, and the two shelves are PVC-coated and adjustable for flexible storage. The unit runs on R290 refrigerant with a 1/2 HP compressor.

This commercial pizza prep table operates on 115 V, 60 Hz, single-phase power, drawing 5.52 A with a NEMA 5-15P plug. The temperature range is maintained between 33°F and 40°F, with an ambient tolerance of up to 90°F. It features heavy-duty casters with brakes for stability and mobility.

The external dimensions are 70.9 in (W) × 31.5 in (D) × 39.4 in (H). Certified by ETL and ETL Sanitation, this model comes with a 1-year parts and labor warranty and a 1-year compressor warranty.
