PRODUCT OVERVIEW

The Medal Equipment Work Table with Left Sink is designed for restaurant kitchens and food preparation areas. It measures 96" (L) x 24" (W) x 38" (H) with a 34" work surface height. Constructed from 16-gauge 304 type stainless steel, it includes a 4" protective backsplash and a single bowl sink on the left. The freestanding design features stainless steel legs and an 18-gauge 430 stainless steel undershelf.

The Medal Equipment 24" x 96" Work Table with Sink supports standard duty commercial kitchen operations. The 1-compartment bowl measures 14" left to right, 16" front to back, and 12" deep. It includes a deck-mounted faucet with 4" centers, 10" swing spout, 5.12" faucet height, and 2.81" spout clearance, delivering a 2 GPM flow rate through a 1/2" water inlet.

The Medal Equipment 16 Gauge Stainless Steel Work Table combines prep space and washing in one unit. The stainless steel tabletop is reinforced with hat channels and stainless steel sockets for structural support. The six stainless steel legs support a top shelf capacity of 580 lbs, while the undershelf holds up to 450 lbs for storage in commercial kitchens.

The Medal Equipment Work Table With Sink includes a 4" backsplash and left-side sink setup with one bowl and one compartment. The 18-gauge undershelf is made of 430 stainless steel. NSF listing meets food equipment standards for foodservice environments. It includes a 2-year limited warranty by the manufacturer.
