SPECIAL FEATURES

- Compact Width**
 28.7-inch width structure supports placement in compact commercial kitchen and retail counter layouts.
- Adjustable Shelving**
 Four frosted glass shelves with adjustable configuration support structured food display in commercial environments.
- Digital Temperature Control**
 Digital temperature controller with display supports monitoring within a 32°F to 50°F operating range.
- Ventilated Airflow**
 Ventilated cooling with hot air flow from the front and both sides supports consistent internal temperature distribution.
- LED Display Lighting**
 Top and under-shelf LED lighting supports visibility across multiple display levels in cafés and food retail spaces.
- Certified Construction**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified structure supports compliance requirements in commercial food handling setups.

PRODUCT OVERVIEW

The ChillCore Series Vertical Merchandiser is a freestanding refrigerated display unit designed for commercial kitchens, cafés, bakeries, and food retail environments. It operates on 110 V, 1 phase, 60 Hz with a 12.5 A electrical load and supports ventilated cooling with hot air flow from the front and two sides for structured air circulation inside the cabinet.

The unit is constructed with powder coated steel and tempered glass on two sides, paired with an interior finished in mirror stainless steel 304. It includes 4 adjustable frosted glass shelves and LED lighting at the top and under each shelf, supporting multi-level product visibility in display environments.

The temperature range of 32°F to 50°F is managed through a digital temperature controller with display. The system includes automatic defrost and automatic condensate evaporation, along with a bottom-mounted compressor supporting refrigeration performance in continuous commercial operation.

This rectangular vertical merchandiser measures 28.7" (W) x 28.4" (D) x 79.9" (H). It includes 4 casters and 2 adjustable feet for positioning and leveling in commercial layouts. The unit comes with a front curtain and carries cETLus Listed, ETL Sanitation Listed, and NSF Certified compliance. It includes a 1-year warranty by the manufacturer.
