2 Years Limited Warranty

SPECIAL FEATURES

- **16 Gauge Top**
  The 16 gauge 304 stainless steel tabletop supports up to 760 lb for commercial kitchen food preparation.
- **Six Leg Support**
  Six tubular stainless steel legs sized at 1.62 inches provide structural support for standard duty use.
- **Adjustable Feet**
  Adjustable bullet feet made of metal allow height alignment on commercial kitchen flooring.
- **High Undershelf Capacity**
  The 18 gauge 430 stainless steel undershelf holds up to 450 lb for restaurant storage needs.
- **Protective Backsplash**
  The 4-inch backsplash with 1-inch side return forms a defined rear boundary on the work surface.
- **NSF Listed & Warranty**
  NSF Listed certification meets food service standards, and it includes a 2-year limited warranty by the manufacturer.

PRODUCT OVERVIEW

The Medal Equipment ME-2484WTB-16G Work Table is designed for chefs and food preparation tasks in a commercial kitchen. It features a rectangular 84" (L) x 24" (W) x 38" (H) structure with a 34-inch work surface height, suitable for standard duty applications. The table is finished in silver and constructed from stainless steel.

The tabletop is made of 16 gauge 304 stainless steel, forming a structured prep surface for restaurant food handling. The top shelf supports up to 760 lb, accommodating commercial kitchen equipment and preparation activities. The unit includes a 4-inch backsplash with a 1-inch side return backsplash design.

This work table includes an adjustable undershelf made of 18 gauge 430 stainless steel. The undershelf supports up to 450 lb and provides additional storage space for kitchen tools and supplies. The table is supported by six tubular stainless steel legs measuring 1.62 inches in size.

It stands on adjustable bullet feet made of metal for height adjustment. The unit is NSF Listed for food service environments and includes a 2-year limited warranty by the manufacturer.
