- **NSF Listed Unit**
  NSF listed construction suitable for foodservice environments and includes a 2 years limited warranty by the manufacturer.

PRODUCT OVERVIEW

The Medal Equipment ME-2430WTUC-16G commercial work table is designed for commercial kitchen use in restaurants, catering setups, and food preparation areas. It features a rectangular shape and standard duty construction suitable for daily prep and staging tasks. The table is made from 304 type stainless steel with a silver finish.

This unit measures 24" (L) x 30" (W) x 34" (H) with a work surface height of 34". It is built with a 16 gauge stainless steel top shelf that supports up to 500 lb, providing a solid prep surface for chefs and kitchen staff.

The table includes an adjustable undershelf constructed from 430 stainless steel with an 18 gauge thickness. The undershelf supports up to 300 lbs, offering additional storage for ingredients, equipment, or supplies in food handling areas.

It stands on stainless steel legs measuring 1.62" in diameter and includes four casters with brakes for mobility and positioning within the commercial kitchen. The unit is NSF listed and includes a 2 years limited warranty by the manufacturer.
