- **Six-Leg Stability**
  Equipped with six stainless steel legs and 1" adjustable bullet feet for balance and support.
- **NSF Listed**
  Certified for commercial foodservice use and includes a 2 years limited warranty.

PRODUCT OVERVIEW

The Medal Equipment ME-2412WTB-16G commercial work table is built for restaurants, catering kitchens, and institutional foodservice environments. Its rectangular design and standard duty construction support daily food preparation and staging tasks. The unit is made from 304 stainless steel with a silver finish.

Measuring 24" x 120" with a 38" overall height and 34" work surface height, this table provides an extended prep area. The 16 gauge stainless steel tabletop supports up to 760 lb for handling ingredients, equipment, and supplies.

A 4" backsplash with 1" side return helps protect surrounding surfaces from splashes. The adjustable undershelf is constructed from 18 gauge 430 stainless steel and supports up to 450 lbs for organized storage below the work surface.

The table features six stainless steel legs with 1" adjustable bullet feet for leveling. It is NSF listed and backed by a 2 years limited warranty from the manufacturer.
