SPECIAL FEATURES

- ✓ **Ample Capacity**
9 cu ft of storage supports frozen food, packaged desserts, and impulse items, making this merchandiser freezer ideal for commercial displays.

✓ **Flexible Storage**
Two adjustable PVC-coated shelves allow efficient organization of frozen goods for easy access.

✓ **Durable Construction**
Stainless steel interior and aluminum back exterior provide long-lasting durability in commercial environments.

✓ **Smooth Operation**
Self-closing swing door reduces temperature loss and supports fast service in customer-facing areas.

✓ **Certified Safety**
ETL Sanitation Listed and cETLus certified to meet commercial compliance standards.
- ✓ **Clear Visibility**
Glass swing door combined with LED lighting improves product visibility, perfect for a commercial glass door freezer setup.

✓ **Reliable Cooling**
Maintains a -7°F to 0°F range to support daily frozen food holding.

✓ **Energy Compatibility**
115 V, 4.2 A, 60 Hz single-phase power fits standard commercial electrical outlets.

✓ **Consistent Output**
1/2 HP compressor delivers reliable cooling performance during peak service hours.

✓ **Warranty Support**
Includes a 1-year parts and labor warranty plus a 1-year compressor warranty for manufacturer-backed reliability.

PRODUCT OVERVIEW

The IceVault Series IVMF279C Merchandiser Freezer with 9 cu ft capacity is designed for cafés, convenience stores, mini-marts, and commercial foodservice environments. Its stainless steel interior and aluminum back exterior provide durability for daily use, while the black finish adds a professional look.

A single glass swing door offers clear product visibility, making it an ideal commercial glass door freezer for front-of-house display and self-service areas. This compact freezer measures 27" (W) x 26" (D) x 56" (H), fitting efficiently in tight aisles or merchandising zones. Two adjustable PVC-coated shelves allow flexible product arrangement, while LED lighting improves visibility for both staff and customers.

The right-hinged, self-closing swing door reduces temperature loss during busy service, and a keyed lock adds security in public-facing spaces. Powered by a 1/2 HP compressor with R-290 refrigerant, the freezer operates on 115 V, 60 Hz, 1-phase power with a 4.2 A draw. Electronic controls maintain a stable temperature range of -7°F to 0°F, and the auto-defrost system supports consistent performance.

Its freestanding design allows flexible placement without requiring built-in installation. Certified ETL Sanitation Listed and cETLus, this **merchandiser freezer** comes with a 1-year parts and labor warranty plus a 1-year compressor warranty for dependable commercial operation.
