PRODUCT OVERVIEW

The ChillCore Series Dry Bakery Display Case is a countertop display unit designed for bakeries, cafés, and foodservice operators in a commercial kitchen. Constructed with stainless steel and glass in a silver and clear finish, it supports structured food display and handling. The curved shape adds a distinct presentation style for front counter service areas.

With a capacity of 2.5 cb3, this dry (non-refrigerated) display case is intended for ambient storage of pastries, breads, and snacks. It includes 2 shelves that allow separation of items for organized arrangement during service. The tempered reinforced glass construction supports durability while maintaining clear visibility of displayed items.

The unit features a rear sliding door style with 2 glass doors, allowing access from the service side in a restaurant or café setup. The door access type supports efficient loading and serving without interrupting the display area. This configuration aligns with common food handling workflows in commercial kitchen environments.

This countertop unit measures 13.8" (W) x 23.6" (D) x 20.5" (H), making it suitable for compact counter spaces. It has a product weight of 28.7 lb, supporting stable placement during use. It includes a 1-year warranty by the manufacturer covering parts and labor.
