PRODUCT OVERVIEW

The ProKitchen Series Double Wall Mounting Bracket is a commercial kitchen support component designed for restaurants, hotels, and food service storage systems. It is used for securing and stabilizing wall-mounted shelving structures in commercial kitchen environments.

The unit is constructed using stainless steel material with a silver finish. It features a compact bracket design with pre-drilled screw holes and waterproof construction, supporting structured installation in commercial kitchen storage layouts.

This double wall mounting bracket has dimensions of 2.75" (L) x 18" (W) x 3.5" (H). It is compatible with adjoining chrome wire shelving, supporting integration into modular commercial kitchen storage systems.

It includes screws for installation and is designed for wall mounted application use. The unit is NSF Certified and includes a 1-year manufacturer warranty.
