PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, foodservice operations, and commercial kitchen workstations. Constructed from 430 stainless steel with a silver finish, it measures 36" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen applications.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. Its design allows integration with a range of commercial kitchen equipment used for food preparation and storage.

The unit features a removable and bolt-on installation type with a pre-drilled design. This construction supports attachment to compatible equipment while allowing removal when repositioning or maintenance is required.

Anti-corrosion and water-proof features are included for commercial kitchen environments exposed to cleaning routines and moisture. The backsplash is NSF Listed and includes a 1-year warranty by the manufacturer.
