SPECIAL FEATURES

- ✓ Pan Capacity**
Mega Top holds 30 1/6 size pans, giving easy access for ingredient preparation.
- ✓ Door Access**
Three swing-style self-closing doors provide secure and convenient access to storage areas.
- ✓ High-Ambient Performance**
Operates reliably in commercial kitchen conditions up to 100.4°F.
- ✓ Safety Certified**
ETL Listed and ETL Sanitation certified for professional kitchen use.
- ✓ Flexible Shelving**
Three adjustable coated wire shelves allow organized storage of pans and ingredients.
- ✓ Frost-Free Operation**
Built-in auto-defrost system prevents ice buildup and reduces manual cleaning.
- ✓ Temperature Management**
LED display with digital control allows easy monitoring and adjustment of internal temperatures.
- ✓ Mobility & Stability**
Six swivel casters with locks provide smooth movement and secure placement.
- ✓ Warranty Protection**
Includes 6-month parts and labor coverage plus a 6-month compressor warranty.
- ✓ Power Setup**
115 V, 60 Hz with NEMA 5-15P plug and 9 ft cord enables convenient installation.

PRODUCT OVERVIEW

The CoolEdge series CESMT72 commercial sandwich and salad prep table is a 3-door stainless steel unit ideal for commercial kitchens, catering services, and food prep environments needing organized storage and preparation space. Measuring 72.5 in (W) x 31.5 in (D) x 45.75 in (H), it holds 30 1/6 size pans on the mega top and includes three adjustable coated wire shelves inside. Solid swing-style self-closing doors provide secure access to stored ingredients.

A bottom-mounted 1/3 HP compressor with 380 W power uses R290 refrigerant to maintain a temperature range of 33°F to 41°F. The unit operates on 115 V, 60 Hz, single-phase power at 3.4 A through a NEMA 5-15P plug with a 9 ft power cord. Auto defrost reduces manual upkeep, and the maximum ambient operating temperature is 100.4°F.

Digital controls with an LED display provide accurate temperature management. The solid doors ensure secure storage, and the mega top offers preparation space with direct pan access.

The prep table includes six 6 in swivel casters with locks for easy repositioning and stable placement. Certified ETL Listed and ETL Sanitation, it meets commercial safety and sanitation standards. Warranty coverage includes 6 months parts and labor and 6 months compressor protection.
