PRODUCT OVERVIEW

The ChefPro Series Work Table is a stainless steel flat-top work table designed for chefs and operators in commercial kitchens, restaurants, and foodservice operations. It supports food preparation, storage, and organization while maintaining a durable work surface.

Constructed from stainless steel with a silver finish, the table features welded corners and square side edges for structural integrity and easy cleaning. The flat-top surface has a thickness of 0.8 mm and supports up to 500 lbs, providing a robust work area for various kitchen tasks.

The table includes four legs with an adjustable stainless steel undershelf capable of holding up to 370 lbs, supporting storage of kitchen tools, ingredients, or equipment. A 2 in backsplash protects walls from spills and splashes, while the overall design supports heavy-duty use with easy wipe-clean surfaces.

The work table measures 48 in width × 30 in depth × 36 in height, supporting space planning in commercial kitchen layouts. It is part of the ChefPro Series and includes a 1 year limited warranty by the manufacturer.
