SPECIAL FEATURES

- ✓ **Electric Heating System**
7200 W electric output at 220 V supports countertop grilling operations in commercial kitchen environments.

✓ **Adjustable Grates**
Steel grates with flat, inclined, and reversible positions support flexible cooking configurations.

✓ **Safety Indicators**
Power ON/OFF indicator light and cool-to-touch independent control knobs support operational control.
- ✓ **Lava Rock Heating**
Lava rock heating source supports heat retention for grilling workflows in restaurant operations.

✓ **Grease Management Tray**
Removable drip and crumb tray supports residue collection during commercial food preparation.

✓ **Warranty Coverage**
It includes a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The ProKitchen Series Countertop Lava Rock Charbroiler is an electric commercial kitchen grilling unit designed for restaurants, cafés, and food service operations requiring controlled countertop grilling with lava rock heating. It features a stainless steel body in silver finish with a countertop installation format suitable for compact commercial kitchen layouts.

The unit operates on electric power with a total output of 7200 W at 220 V, 1 phase, 60 Hz. It is equipped with 2 burners and independent infinite control type knobs that support adjustable heat management during grilling operations in commercial kitchens.

It includes steel grates with adjustable configuration options including flat, inclined, and reversible positions, supporting varied cooking styles. A removable drip and crumb tray is provided for residue collection during food preparation workflows. Lava rock heating source supports heat retention during grilling operations.

The design includes rubber feet for stability, a 5 ft power cord with NEMA 6-30P plug type, and a compact build measuring 25.6" (L) x 23.7" (D) x 13.8" (H). Shipping dimensions are 27" (L) x 25" (D) x 15" (H). The unit weighs 83 lb with a shipping weight of 90 lb. It includes a 1-year warranty by the manufacturer.
