SPECIAL FEATURES

- Open Display Access**
Open access design without a door supports direct visibility and placement in commercial kitchen and retail food display environments.
- Ventilated Cooling**
Ventilated cooling with finned evaporator system supports consistent internal temperature distribution in display operations.
- Certified Compliance**
CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified structure supports commercial food handling standards.
- LED Shelf Lighting**
LED lighting on every shelf supports uniform visibility across multiple display levels in cafés and food retail counters.
- Adjustable Shelving**
Adjustable shelves support structured food arrangement in commercial bakery and retail display setups.
- Compact Vertical Build**
Vertical rectangular structure supports placement in compact commercial kitchen and retail floor layouts.

PRODUCT OVERVIEW

The ChillCore Series Vertical Merchandiser is a freestanding refrigerated open display unit designed for commercial kitchens, cafés, bakeries, and food retail environments. It operates with ventilated cooling and supports an open access design without a door, suitable for self-service and display-based food presentation in commercial spaces.

The unit is built with steel and double tempered glass construction, with a rectangular vertical structure measuring 26.97" (W) x 25.98" (D) x 78.74" (H). It includes adjustable shelves designed for structured placement of packaged food items, supported by LED lighting on every shelf for visibility across all display levels.

Cooling is managed through a finned evaporator system with a thermostatic expansion valve and a bottom-mounted compressor using Embraco / Secop compressor technology. The system operates with refrigerants R404a / R290 and includes automatic defrost and automatic drain water functionality for condensate management.

The unit provides 9.18 cb3 capacity with a 9.36 sq.ft. display area and is designed for 42-unit loading per 40 GP container. It includes a digital controller, night curtain, and carries CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified compliance. It includes a 1-year warranty by the manufacturer.
