WARRANTY

10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, 1-Year Labor on Refrigeration Unit

SPECIAL FEATURES

- Top Mounted Design**
 The top mounted refrigeration system supports commercial kitchen cold storage layouts with overhead compressor placement.
- Solid Swing Door**
 The solid swing door includes a self-closing and flush-mounted design for restaurant food handling areas.
- Galvanized Steel Build**
 The white galvanized steel exterior with 24-gauge construction is suited for walk-in cooler installations.
- Modular Assembly**
 The modular cam-lock and tongue & groove design supports panel connection during installation.
- Included Refrigeration**
 The unit includes both a condensing unit and evaporator with top mounted refrigeration.
- Polyurethane Insulation**
 The polyurethane insulation with 4" thickness and R-28 thermal resistance supports refrigerated food storage applications.
- Keyed Door Lock**
 The keyed lock supports controlled access in commercial kitchen storage environments.
- Indoor/Outdoor Use**
 The walk-in cooler is designed for both indoor and outdoor commercial foodservice locations.
- Certified Construction**
 UL Listed US, NSF Listed, and DOE certifications are included for commercial refrigeration applications.
- Warranty Coverage**
 It includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor & parts warranty, and 1-year labor warranty on the refrigeration unit by the manufacturer.

PRODUCT OVERVIEW

The PolarBox Series walk-in cooler is designed for commercial kitchen, restaurant, and food storage applications. It features white galvanized steel construction with 24-gauge panels and polyurethane insulation. The unit measures 138" (W) x 177" (D) x 87" (H) with a 4" insulation thickness and R-28 thermal resistance for refrigerated storage areas.

The PolarBox Series walk-in cooler includes a top mounted refrigeration system with R-448A refrigerant and a 1-phase, 208/230V electrical configuration operating at 60 Hz. The hardwired unit includes a condensing unit and evaporator. The solid swing door includes a keyed lock, self-closing function, and flush-mounted design for commercial food handling areas.

The PolarBox Series walk-in cooler is built with a modular cam-lock and tongue & groove hinge design for assembly in indoor or outdoor commercial kitchen locations. The unit includes one solid door with a 77" door height and a standard galvanized steel floor. The cooler is suitable for restaurant cold storage with top mounted refrigeration.

The PolarBox Series walk-in cooler is proudly made in America and carries UL Listed US, NSF Listed, and DOE certifications. This 12 ft nominal width and 15 ft nominal depth cooler includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor and parts warranty, and 1-year labor warranty on the refrigeration unit.
