### SPECIAL FEATURES

- ✓ Ventilated Cooling**  
 Ventilated cooling with hot air flow from the front and two sides supports stable internal temperature distribution in commercial kitchen and retail display environments.
- ✓ LED Display Lighting**  
 LED lighting at the top and under each shelf supports clear visibility of displayed food items across multiple levels.
- ✓ Mobile Structure**  
 Four casters with two brakes support movement and positioning in commercial kitchen layouts and service areas.
- ✓ Adjustable Shelving**  
 Four frosted glass shelves with adjustable configuration support organized food presentation in cafés, bakeries, and food retail spaces.
- ✓ Digital Temperature Control**  
 Digital temperature controller with display supports monitoring within a 35.6°F to 50°F temperature range for food display management.
- ✓ Certified Compliance**  
 cETLus Listed, ETL Sanitation Listed, and NSF Certified structure supports recognized standards for commercial food handling equipment.

## PRODUCT OVERVIEW

The ChillCore Series Vertical Merchandiser is a freestanding refrigerated display unit designed for commercial kitchens, cafés, bakeries, and food retail counters. It operates on 115 V, 1 phase, 60 Hz with a 15.5 A electrical load and supports ventilated cooling with hot air flow from the front and two sides for balanced internal temperature distribution.

The unit is built with powder coated steel and tempered glass on two sides, paired with a mirror stainless steel 304 interior for structured food display. It includes 4 frosted glass adjustable shelves and LED lighting positioned at the top and under each shelf for visibility across product layers.

It maintains a temperature range of 35.6°F to 50°F through a digital temperature controller with display. Automatic defrost and automatic condensate evaporation are integrated into the cooling system. The bottom-mounted compressor supports stable refrigeration performance in continuous commercial use.

This rectangular vertical merchandiser measures 48.4" (W) x 29" (D) x 79.9" (H) and comes with 4 casters, including 2 with brakes, for movement within food service layouts. It includes a front curtain and is certified cETLus Listed, ETL Sanitation Listed, and NSF Certified. It includes a 1-year warranty by the manufacturer.
