1 Year Warranty

SPECIAL FEATURES

- Open Visibility**
 The open display format allows customers to view and select items without opening a door, supporting faster service flow in foodservice and retail environments.
- Low-GWP Refrigerant**
 R-290 refrigerant is a natural hydrocarbon with a low global warming potential, aligning the unit with current environmental standards for commercial kitchen equipment.
- Flexible Placement**
 The freestanding installation type and adjustable leg levelers allow this merchandiser to be positioned on varied floor surfaces without requiring custom installation.
- Consistent Cooling**
 Fan cooling circulates refrigerated air throughout the 8.7 cu ft cabinet, helping maintain a steady temperature range of 30.2 to 44.6 degrees Fahrenheit across all shelf levels.
- Certified for Foodservice**
 ETL Listed, ETL Sanitation Listed, and DOE 2017 Compliant certifications support compliance with health department and energy requirements common in restaurant and food handling settings.
- Included Coverage**
 Each unit is sold individually and comes with a 1-year warranty, providing a defined coverage period for commercial kitchen operators after purchase.

PRODUCT OVERVIEW

The Frigomax Series Vertical Air Curtain Merchandiser is an open display refrigeration unit designed for restaurants, cafes, convenience stores, and other commercial kitchen or foodservice environments where grab-and-go product visibility matters.

This freestanding unit holds 8.7 cubic feet of refrigerated stock and operates within a temperature range of 30.2 to 44.6 degrees Fahrenheit, making it suitable for beverages, dairy, deli items, and similar perishables. Fan cooling circulates air evenly throughout the cabinet to maintain consistent temperatures across all shelf levels.

The merchandiser measures 33.1" (L) x 39" (W) x 46.3" (H) and runs on 110V at 60Hz, drawing 10 amperes. R-290 refrigerant, a low-GWP natural refrigerant, is used in the refrigeration circuit. Leg levelers allow the unit to be set level on uneven flooring without additional modifications.

Interior LED lighting illuminates displayed items clearly for customer-facing settings. The unit carries ETL Listed, ETL Sanitation Listed, and DOE 2017 Compliant certifications. A 1-year warranty is included with each unit.
