- **Easy Cleaning**
  Glass and stainless steel surfaces support routine cleaning in commercial foodservice environments.
- **Certified Compliance**
  cETLus Listed and ETL Sanitation Listed certifications are included for commercial foodservice applications.

PRODUCT OVERVIEW

The ProKitchen Series Sneeze Guard is designed for commercial kitchens, cafeterias, buffet counters, and self-service food display stations. It features a 4-sided food protection canopy design with clear glass panels and stainless steel posts. The unit measures 60" (L) x 29.5" (W) x 16" (H) and is constructed with a stainless steel frame for installation over refrigerated self-service buffet tables and cold food tables.

The ProKitchen Series Sneeze Guard is built with clear glass supported by stainless steel posts for open food display environments. The structure includes no doors or lighting, maintaining an unobstructed serving area. It is suitable for commercial buffet counters and cold food service stations in restaurants, cafeterias, and foodservice setups.

The ProKitchen Series Sneeze Guard features a canopy-style frame that provides 4-sided food protection for displayed food items. The easy-to-clean glass and stainless steel construction support routine cleaning in commercial kitchen and cafeteria operations. The open design supports continuous food visibility during service.

The ProKitchen Series Sneeze Guard is cETLus Listed and ETL Sanitation Listed, supporting commercial foodservice compliance. It includes a stainless steel frame with glass panels and a 1-year manufacturer warranty. The unit is designed for compatibility with refrigerated self-service buffet tables and cold food tables in commercial kitchen environments.
