WARRANTY

10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, 1-Year Labor on Refrigeration Unit

SPECIAL FEATURES

- ✓ Durable Construction

White galvanized steel panels provide long-lasting strength for indoor and outdoor use, making it ideal for a walk in commercial freezer setup.
- ✓ Advanced Thermal Protection

R-28 cooler and R-33 freezer insulation maintain stable temperatures efficiently.
- ✓ Secure Access Control

Keyed locks, self-closing flush-mounted doors, and modular cam-lock hinges keep contents safe and sealed.
- ✓ Organized Storage

Separate 12 ft cooler and 3 ft freezer sections allow efficient storage of perishable and frozen items.
- ✓ Comprehensive Warranty

Covers 10-year panels, 1-year door parts, 2-year compressor & parts, and 1-year labor.
- ✓ Indoor/Outdoor Versatility

Heavy-duty floor and weather-resistant construction support interior and exterior use.
- ✓ Ice-Free Operation

Freezer doors with heating wire and pressure relief vent prevent ice buildup and maintain airflow.
- ✓ Eco-Friendly Materials

CFC & HFC-free construction supports environmentally responsible operation.
- ✓ Professional Certification

UL, NSF, and DOE listed for safety and regulatory compliance.

PRODUCT OVERVIEW

The PolarBox Series Walk In Cooler and Freezer Combo is ideal for businesses needing reliable indoor/outdoor cold storage. Made in America, this walk in freezer cooler measures 15 ft (L) × 10 ft (W) × 7 ft (H) with two 77-inch doors, including a 12 ft cooler section and a 3 ft freezer section for efficient perishable storage.

A self-contained, top-mounted compressor with R-448A refrigerant provides consistent cooling across both compartments, supporting heavy-use operations. Constructed with white galvanized steel and 4-inch polyurethane insulation, the unit delivers R-28 thermal resistance in the cooler and R-33 in the freezer. Doors include keyed locks, self-closing flush-mounted panels, and modular cam-lock with tongue & groove hinges.

Certified and Durable Walk In Freezer Cooler Combo

This walk in cooler freezer combo has a heavy-duty floor for indoor and outdoor use. Operating on 208/230 V, 60 Hz, it includes a condensing unit and evaporator and is UL, NSF, and DOE certified. Made with CFC and HFC-free materials, it provides efficient insulation. Warranty covers 10-year panels, 1-year door parts, 2-year compressor and parts, and 1-year labor for reliable performance.
