PRODUCT OVERVIEW

The ChefPro Series CPCS18x48 Shelving Kit is ideal for restaurants, stockrooms, retail setups, and commercial kitchens needing organized dry-storage. This metal wire shelving kit has a 1500 qt capacity, offering structured placement for supplies. The silver chrome finish supports durability in front-of-house and storage environments. This shelving kit measures 48" (L) x 18" (W) x 72" (H) to fit narrow and wide layouts in commercial spaces.

Five shelves provide multiple levels for arranging dry goods and equipment. The adjustable and stationary style supports flexible placement in kitchens, garages, and stockrooms. The vented design maintains open airflow around stored items in busy service areas. The NSF Listing adds suitability for commercial food handling spaces. The unit is suited for dry environments where structured organization is required. It includes a 1-year warranty by the manufacturer for added support.
