MOZZAFIATO FAST

Re-engineered precision and design the next evolution of Rocket's dual- boiler legacy.

The Mozzafiato (meaning "Breathtaking" in English) marks the stylistic and functional evolution of a machine that reflects Rocket's passion for design, coffee, and cycling.

Finely designed to heat up quickly, ensuring the new model is ready to brew in as little as 12 minutes* on average from startup.

Available in two versions to suit any setup – with internal tank (V version) or plumbed-in connection (R version).

*Depending on water temperature and external conditions

SPECIFICATIONS	
PID PRESSURE CONTROL	YES
SHOT TIMER	YES
TOTAL BOILER CAPACITY	1.8 L
WATTAGE	220-240V; 50/60 Hz; 1550W
DIMENSIONS	314W × 457D × 409H mm
WEIGHT	30 Kg (R) – 27 Kg (V)
WATER TANK LEVEL SENSOR	YES

FEATURES

- Design by V12
- Fast Heat-Up Time
- Temperature Control
- OLED Display
