SPECIAL FEATURES

- ✓ **Durable Construction**

Stainless steel and welded corners provide strength and stability for commercial kitchen use.
- ✓ **Adjustable Storage**

Undershelf with 300 lbs capacity allows organized storage of kitchen tools or supplies.
- ✓ **Mobile Setup**

Four casters, including two with brakes, allow flexible positioning and controlled movement.
- ✓ **Warranty Coverage**

1-year limited warranty by the manufacturer covers parts and labor.
- ✓ **High Capacity**

700 qt table with one flat top and 400 lbs top shelf capacity supports handling of ingredients and equipment.
- ✓ **Easy Cleaning**

Flat top with easy wipe-clean surface supports routine sanitation in food handling areas.
- ✓ **Stable Placement**

Set screws lock components in place, supporting secure operation during prep tasks.

PRODUCT OVERVIEW

The ChefPro Series CPWT3036 Work Table is designed for chefs and food service staff requiring a mobile stainless steel prep surface in a commercial kitchen, with a 700 qt capacity for handling ingredients and kitchen tools. It is made from stainless steel, supporting routine cleaning and food handling use, and finished in silver for a professional appearance.

The table features a flat top design with square edges, supporting uniform prep and equipment placement. The table measures 36" (L) x 30" (W) x 34" (H) and has a 0.8 mm thick flat top supported by screws under-shelf support, providing stability during use. The top shelf supports 400 lbs, accommodating kitchen equipment and ingredients.

It includes a stainless steel adjustable undershelf with a 300 lbs capacity, supporting organized storage. Welded corners provide frame stability, while the heavy-duty construction and easy wipe-clean surface support regular commercial kitchen use.

The table has 4 legs and 4 casters, including 2 with brakes and 2 without brakes, for controlled mobility. Set screws lock components in place, the table comes without a backsplash, and includes a 1-year limited warranty by the manufacturer.
