PRODUCT OVERVIEW

The ChillCore Series Display Dry Case is a countertop display unit designed for bakeries, cafés, and foodservice operators in a commercial kitchen. Constructed with stainless steel and glass in a silver and clear finish, it supports structured food display and handling. The rectangular shape provides a clean layout suitable for front counter presentation.

With a capacity of 1.7 cb3, this dry (non-refrigerated) display case is intended for ambient storage of baked goods and snacks. It includes 1 glass shelf that allows organized placement of items during service. The glass door and shelf material support visibility of contents in food handling environments.

The unit features a hinged door style with 4 front and back glass doors, allowing access from both service and customer sides. This access type supports workflow flexibility in restaurant and café setups. The configuration aligns with commercial kitchen display and serving requirements.

This countertop unit measures 21.8" (W) x 14.2" (D) x 14.9" (H), making it suitable for limited counter space. It has a product weight of 28.6 lb, supporting stable placement during use. The unit is cETLus Listed and ETL Sanitation Listed, indicating compliance with commercial standards. It includes a 1-year warranty by the manufacturer covering parts and labor.
