10-Year Panel, 1 Year
Door Parts

SPECIAL FEATURES

- ✓ **Precision Assembly**
Modular cam-lock and tongue & groove panels create tight connections to maintain consistent insulation.

✓ **Eco-Friendly Design**
CFC and HFC-free insulation reduces environmental impact during use.

✓ **Secure Access**
Solid swing door with keyed lock and self-closing, flush-mounted design provides controlled access while maintaining interior temperature.

✓ **Comprehensive Warranty**
Backed by a 10-year panel warranty and a 1-year parts warranty on doors for long-term reliability.
- ✓ **Durable Construction**
Made from white galvanized steel with 24-gauge thickness for strong, corrosion-resistant panels.

✓ **Flexible Installation**
Comes without a floor to allow adaptable installation for various facility layouts.

✓ **Certified Standards**
Meets UL, NSF, and DOE certification standards for safety and energy compliance.

PRODUCT OVERVIEW

The PolarBox Series Walk-In Cooler Box is ideal for commercial kitchens, food storage areas, and facilities requiring dependable cold storage. Made in America and constructed from white galvanized steel with a 24-gauge thickness, the unit measures approximately 8 ft (W) x 10 ft (D) x 7 ft (H), providing ample storage capacity for temperature-sensitive items.

Its modular cam-lock and tongue & groove panel system allows precise assembly, minimizing air gaps and helping maintain consistent internal temperatures. The cooler box includes 4-inch thick polyurethane insulation with an R-28 thermal resistance rating, supporting efficient temperature retention.

The CFC and HFC-free insulation promotes environmental safety. Certified UL Listed US, NSF Listed, and DOE compliant, it meets rigorous standards for quality, safety, and energy efficiency. The solid swing door with a 77-inch height includes a self-closing, flush-mounted design and keyed lock for secure access and temperature control.

Designed without a floor for flexible installation, this commercial walk-in cooler box operates on a hardwired connection and includes one solid door. Backed by a 10-year panel warranty and a 1-year parts warranty on doors, this walk-in cooler box delivers long-lasting reliability and consistent cooling performance.
