✓ **Lockable Clear Lids**
Clear plastic lockable lids provide ingredient visibility while covering stored contents.

✓ **Warranty Coverage**
It includes a 90-day limited warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series Ingredient Bin Shelving Kit is designed for commercial kitchen dry storage areas, bakeries, restaurants, and food preparation stations. Constructed from chrome-plated metal with a silver and white finish, the wall-mounted unit features a horizontal shelf design with ingredient storage bins. The system is intended for use in dry environments.

The shelving kit measures 60" (L) x 18" (W) and includes one shelf with a load capacity of 600 lbs. The assembly-required design incorporates five clip-in shelf bins for organized ingredient storage. Each bin includes a dedicated measuring scoop for ingredient portioning and handling tasks.

The ingredient bins feature clear plastic lockable lids for ingredient visibility and storage access. The First In First Out (FIFO) design supports ingredient rotation within commercial kitchen storage operations. The chrome finish complements dry storage and ingredient management areas.

This shelving kit is dishwasher safe and NSF Certified for foodservice applications. The wall-mounted configuration helps organize ingredients while maintaining accessible storage. It includes a 90-day limited warranty by the manufacturer.
