SPECIAL FEATURES

- Spacious Capacity**
 72 cu. ft. interior provides ample room for large volumes of frozen goods.
- Flexible Storage**
 12 adjustable shelves allow customization for items of various sizes.
- Reliable Cooling**
 Bottom-mounted compressor with R-290 refrigerant delivers consistent and efficient cooling.
- Durable Build**
 Stainless steel body provides long-lasting performance in demanding commercial environments.
- Tough Doors**
 Three solid, self-closing swing doors with magnetic gaskets maintain consistent internal temperatures.
- Organized Sections**
 Three separate compartments keep different product types neatly arranged and easily accessible.
- Precise Temperature Control**
 Digital thermostat allows accurate monitoring and adjustment from -13°F to 5°F.
- Clear Visibility**
 LED lighting illuminates the interior for easy product identification.
- Certified Safety**
 ETL Listed and DOE Certified to meet professional refrigeration standards.

PRODUCT OVERVIEW

The ChillCore Series CCRF3S82 is a freestanding commercial reach-in freezer designed for restaurants, catering operations, and supermarkets that require organized, reliable cold storage. With 72 cu. ft. of spacious capacity, this unit provides ample room for large volumes of frozen goods across three separate sections, making it easy to store and access different product types.

The freezer features three solid swing doors with magnetic gaskets and self-closing functionality to maintain consistent internal temperatures. Keyed locks keep your products secure after hours, while a digital thermostat enables precise temperature control from -13°F to 5°F.

Inside, 12 adjustable shelves provide customizable storage for items of various sizes, and bright LED lighting offers clear visibility of contents. Six casters make it easy to reposition the unit when needed. A bottom-mounted compressor using R-290 refrigerant delivers reliable and efficient cooling, while the stainless steel construction provides long-lasting durability in demanding commercial environments.

This heavy-duty freezer is ETL Listed and DOE Certified and comes with a 1-year manufacturer warranty. Its compact footprint 81.9 in (W) × 31.5 in (D) × 83 in (H) fits easily into commercial kitchens, making it a dependable and efficient solution for all your frozen storage needs.
