- ✔ **NSF Certified**
NSF Certified construction supports compliance with commercial kitchen hygiene and food handling standards.
- ✔ **Warranty Support**
It includes a 1-year warranty by the manufacturer for manufacturing coverage.

PRODUCT OVERVIEW

The ProKitchen Series Steam Table / Bun Pan / Sheet Pan Rack is a commercial kitchen storage and transport unit designed for bakeries, hotels, and food preparation areas. It is suitable for sheet pan handling, storage, and movement within commercial kitchen operations.

The unit is constructed using aluminum material with a tubular frame structure. It features 16 gauge aluminum angle slides with 1" x 1 1/2" sizing on 3" centers and cylindrical connection bars, supporting structured pan organization in food handling environments. Safety finished edges are included for controlled handling.

This rack has dimensions of 20.25" (L) x 26" (W) x 38" (H) with a product weight of 15 lb. It supports full-size 18" x 26" and half-size 18" x 13" sheet pans with a 10-tier pan capacity for organized storage and transport in commercial kitchen workflows.

It includes a curved top style, 3 in shelf spacing, and a no nesting design. The unit is equipped with 4 polyurethane swivel casters (5 in size), with 2 casters with brakes and 2 without brakes. It includes a 1-year warranty by the manufacturer.
