WARRANTY

**3 Years Limited
Warranty**

SPECIAL FEATURES

- ✓ **Pre-Rinse Sprayer**

The faucet includes a pre-rinse sprayer with stream and spray modes and a 38-inch hose length for rinsing dishes and cookware at commercial kitchen dishwashing stations.
- ✓ **Dual Handle Control**

Dual handles marked for hot and cold water support manual temperature adjustment during food preparation and cleaning tasks.
- ✓ **Polished Metal Construction**

The faucet uses brass and stainless steel materials with a polished finish suitable for commercial kitchen environments.
- ✓ **360° Swivel Spout**

A 12-inch add-on spout with 360° swivel movement allows water access across the sink area in restaurant dishwashing stations.
- ✓ **Wall Mount Installation**

The wall mount faucet uses an 8-inch center configuration with adjustable wall centers fitting 7-3/4 inches to 8-1/4 inches for installation flexibility.
- ✓ **Certified Commercial Use**

The faucet is designed for applications such as commercial kitchens, restaurants, and dishwashing stations and includes a 3-year limited warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series Kitchen Faucet with Pre-Rinse Sprayer is designed for commercial kitchen dishwashing stations in restaurants and foodservice areas. The faucet features brass and stainless steel construction with a polished silver finish suitable for daily use in commercial kitchen environments.

This wall mount faucet uses an 8-inch center configuration and includes adjustable wall centers that fit between 7-3/4 inches and 8-1/4 inches. The faucet includes dual handles marked for hot and cold water, supporting temperature control during food preparation and dishwashing tasks.

The unit includes a pre-rinse sprayer with stream and spray modes and a 38-inch hose length for rinsing cookware, utensils, and dishes. The faucet delivers a flow rate of 1.42 gallons per minute, supporting water supply for commercial kitchen cleaning stations.

The faucet includes a 12-inch 360° swivel add-on spout that rotates for sink access during food handling and dishwashing operations. The faucet height measures 36 inches and is designed for wall-mounted installation in restaurants and commercial kitchen environments. It includes a 3-year limited warranty by the manufacturer.
