PRODUCT OVERVIEW

The ChefPro Series 45-1/2" x 36" Plain Single Back Fully Upholstered Booth is a single restaurant booth designed for diners, cafes, and commercial kitchens seeking comfortable indoor seating. It features a plain back design with a fully upholstered frame, combining wood and vinyl materials for durability and ease of maintenance in foodservice environments.

The booth measures 45.5" (L) x 23" (W) x 36" (H) with a seat height of 18" and a base height of 4.42", making it compatible with standard restaurant table heights. The enclosed base style supports stability and clean floor placement in commercial dining areas.

Constructed with a heavy-duty hardwood frame and reinforced corners, the booth is designed for frequent use in busy dining environments. The seat is padded and covered in yellow vinyl, matching the yellow plain back, for consistent visual style and guest comfort.

The booth is classified as a standard style, single booth type within the Chefpro Series, designed for indoor use. It has a shipping weight of 96.5 lb and includes a 1-year limited warranty by the manufacturer, covering structural and upholstery elements.
