WARRANTY
1 Year Warranty

SPECIAL FEATURES

- Impulse Sales Ready**
 The open air curtain front and cash-desk footprint put chilled beverages directly in a customer's line of sight at the point of purchase.
- Consistent Chill Zone**
 A 30°F to 45°F operating range keeps beverages and grab-and-go items at safe serving temperatures throughout the day in a commercial kitchen or retail setting.
- Certified for Commercial Use**
 ETL Listed, ETL Sanitation Listed, and DOE Compliant certifications confirm the unit meets electrical safety, sanitation, and energy standards required in commercial food-service environments.
- High Beverage Capacity**
 The 9.0 cu ft cabinet holds approximately 120 standard canned beverages, reducing how frequently staff need to restock during a busy service period.
- Eco-Friendly Refrigerant**
 R290 refrigerant has a very low global warming potential, supporting sustainability goals while meeting current industry refrigerant standards.
- Included Coverage**
 A 1-year warranty is included, providing a defined service period against defects from the date of purchase.

PRODUCT OVERVIEW

The Frigomax Series Vertical Air Curtain Merchandiser is a freestanding open-front display unit designed for restaurants, convenience stores, cafes, and other commercial kitchen or retail environments where impulse sales are a priority.

With a 9.0 cubic foot interior and a capacity of approximately 120 standard canned beverages, this unit is particularly well-suited for placement at a cash desk or checkout counter where high-visibility cold storage drives add-on purchases. The air curtain cooling system maintains a temperature range of 30°F to 45°F without a physical door, allowing customers immediate, unobstructed access to chilled items.

The unit measures 27.6" (L) x 26" (W) x 57.9" (H) and operates on 110V / 60Hz, drawing 6.7 amperes at 620 watts. R290 refrigerant is used in the cooling circuit, which aligns with current low-GWP environmental standards. Integrated LED lighting illuminates merchandise clearly, and adjustable leg levelers allow stable placement on uneven floors.

The Frigomax Series Air Curtain Merchandiser carries ETL Listed, ETL Sanitation Listed, and DOE Compliant certifications, meeting common commercial kitchen and food-retail compliance requirements. A 1-year warranty is included with purchase.
