SPECIAL FEATURES

- ✓ **LED Lighting**
LED illumination provides clear visibility of refrigerated food and beverages for grab-and-go displays in commercial kitchens and restaurants.
- ✓ **Organized Display**
The adjustable two-step stainless steel shelf supports organized placement of refrigerated food and beverage items.
- ✓ **Digital Temperature**
A digital thermostat operates within a temperature range of 30.2°F to 44.6°F for refrigerated food display.
- ✓ **Mobile Installation**
The freestanding design with four casters supports placement and repositioning in commercial kitchen and food service areas.
- ✓ **Certified Standards**
cETLus, ETL Sanitation, and NSF certifications meet recognized standards for commercial food handling equipment.
- ✓ **Warranty Coverage**
It includes a 1-year parts and labor warranty and a 5-year compressor warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series 71" Grab and Go Low Profile Open Air Merchandiser is designed for restaurants, cafés, convenience stores, and other commercial kitchen food display areas. It features a horizontal air curtain refrigeration system with a 17.48 cubic feet capacity for refrigerated grab-and-go foods and beverages. The black metal exterior suits a variety of display environments.

LED illumination provides clear visibility of displayed items, while the night curtain covers the display during non-operating hours. The adjustable two-step stainless steel shelf supports organized merchandising. The stainless steel interior is intended for refrigerated food display and handling in commercial kitchens.

This freestanding merchandiser operates on 110 volts, 13.9 amperes, 1400 watts, 60 hertz, and a 0.5 horsepower compressor. It uses R-290 refrigerant, CFC-free foamed-in-place polyurethane insulation, and a digital thermostat with a temperature range of 30.2°F to 44.6°F. Automatic defrost is included for refrigeration operation.

The unit features four casters for easy mobility and a 92" power cord with a NEMA 5-20P plug. Overall dimensions are 70.8"L x 33.2"W x 46"H, with an interior measuring 67.72"W x 27.17"D x 19.69"H. It includes a 1-year parts and labor warranty plus a 5-year compressor warranty. Certified by cETLus, ETL Sanitation, and NSF, it meets recognized safety, sanitation, and performance standards.
