- ✓ LED Lighting Setup**
 LED lighting at the top and under shelf supports illumination inside the display case refrigerator.
- ✓ Certified Unit**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified, with a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding open air / refrigerated unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with an 11.4 A electrical load and uses ventilated cooling for consistent air circulation across the display chamber.

The structure is built using powder coated steel and glass with a black finish and double tempered glass on four sides. It features a rectangular design measuring 52" (W) x 33.2" (D) x 59.4" (H), suitable for commercial floor-based food display installations. Rear sliding doors at the back support loading and arrangement of products in service operations.

Temperature is maintained between 35.6°F and 50°F through a digital temperature controller with display. The system includes automatic defrost and a water tray for condensate collection during continuous refrigerated operation in food retail environments.

This unit includes LED lighting positioned at the top and under the shelf for display visibility. It is supported by 4 casters and 2 adjustable feet for movement and leveling in commercial layouts. The display case is cETLus Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
