1 Year Parts & Labor

SPECIAL FEATURES

- ✓ **14" Cutting Blade**
The 14" blade provides precise slicing of meats and cheeses for commercial kitchen operations.
- ✓ **Patented Motion System**
The concealed motion system allows smooth, controlled manual slicing for safe operation.
- ✓ **Durable Construction**
Polished and painted aluminum with stainless steel components provide a robust design for daily use.
- ✓ **Adjustable Thickness**
Slice thickness is adjustable from 0–3 mm, supporting portion control in restaurants or delis.
- ✓ **Large Cutting Size**
The 350 W x 330 H mm cutting size accommodates larger cuts of meat or cheese.
- ✓ **Certified and Covered**
NSF certification confirms compliance with hygiene standards, and it includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The PrepMaster Series 31" Manual Meat Slicer is designed for chefs and foodservice teams in commercial kitchens. It features a 14" blade and polished and painted aluminum with stainless steel construction, suitable for slicing meats and cheeses. The slicer includes a patented concealed motion system for smooth manual operation.

The slicer allows adjustable slice thickness from 0–3 mm, supporting precise portioning in commercial kitchen environments. It measures 31" (W) x 36" (L) x 29" (H) and is finished in silver and red.

The cutting size is 350 W x 330 H mm, accommodating larger cuts of meat or cheese in low- to medium-volume operations. It is NSF certified, reflecting compliance with commercial kitchen hygiene standards.

Weighing 159 lb with a shipping weight of 198 lb, the slicer is robust and durable for daily use and includes a 1-year warranty by the manufacturer for parts and labor.
