WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **Fixed-Speed Operation**
  The fixed-speed compressor type reflects the specification listed for controlled refrigeration operation in commercial kitchen equipment.
- **Standard Electrical Rating**
  The 115 V and 60 Hz electrical specifications match commonly used power setups in commercial kitchens.
- **Equipment Compatibility**
  Designed to fit 54" refrigerator models as listed, supporting proper integration with specified units.
- **Rated Cooling Power**
  The 1/3 HP specification supports refrigeration systems used in reach-in and undercounter units within restaurant environments.
- **R290 Refrigerant Use**
  The compressor is specified for R290 refrigerant systems used in modern commercial refrigeration equipment.
- **Warranty Inclusion**
  It includes a 1-year warranty by the manufacturer, supporting maintenance planning in food handling operations.

PRODUCT OVERVIEW

The Medal Equipment fixed-speed compressor is designed for commercial kitchen refrigeration systems used by restaurants and foodservice operators. It supports installation in reach-in refrigerators, undercounter refrigerators, prep tables, and bottle coolers as specified.

This compressor operates at 1/3 HP with a 115 V electrical requirement and a 60 Hz frequency. These specifications align with standard power configurations used in commercial kitchen refrigeration equipment.

The unit uses R290 refrigerant and is intended for systems designed around this refrigerant type. It is listed as compatible with 54" refrigerator models, supporting correct equipment matching during replacement.

Supplied as a compressor component, this unit is categorized under fixed-speed compressor type. It includes a 1-year warranty by the manufacturer, supporting planned service cycles in commercial kitchens.
