- ✓ Consistent Freezing

1/2 HP compressor with 300 W power and R290 refrigerant maintains reliable low temperatures between -7°F and 0°F.
- ✓ Easy Mobility

Four casters allow smooth and effortless repositioning as needed.
- ✓ Reliable Warranty

Backed by 1-year parts and labor coverage, plus 1-year compressor protection for dependable support.

PRODUCT OVERVIEW

The IceVault Series IVWTF48 commercial kitchen freezer is a heavy-duty worktop unit designed for kitchens, bars, and catering operations. It offers 12 cu. ft. of frozen storage while providing a durable worktop surface for prep work.

This freestanding commercial kitchen freezer features two solid swing doors with recessed handles and a built-in backsplash to protect walls from spills. Its stainless steel and aluminum construction delivers long-term strength, and four casters allow easy mobility in busy kitchen spaces.

Powered by a 1/2 HP compressor with R290 refrigerant, the freezer operates between -7°F and 0°F with 300 W of energy, running on 115 V, 60 Hz, single-phase electricity. It draws 4.5 A and connects via a NEMA 5-15P plug.

Certified by ETL and ETL Sanitation, this commercial kitchen freezer meets safety and hygiene standards. Its compact dimensions 47.2 in (W) × 29.5 in (D) × 38.8 in (H) fit efficiently into most kitchen layouts. The freezer is backed by a 1-year parts and labor warranty and a 1-year compressor warranty.
