SPECIAL FEATURES

- Ample Storage**
4 cubic feet of capacity holds up to 104 bottles or 156 cans (12 oz.), ideal for versatile beverage service.
- Smooth Access**
Solid sliding lid allows easy opening while maintaining cold temperatures.
- Reliable Cooling**
1/3 HP compressor with R290 refrigerant maintains a consistent 33°F to 40°F range.
- Stable Placement**
Freestanding design without casters offers steady positioning in busy bar or service areas.
- Warranty Support**
Backed by a 1-year parts and labor warranty and 1-year compressor warranty for dependable support.
- Durable Build**
Vinyl-coated steel exterior with a black finish and stainless steel top, interior walls, floor, and ceiling provide durability and resistance to daily commercial wear.
- Secure Locking**
Keyed lock restricts access, keeping beverages protected after hours.
- Organized Layout**
Includes cap catcher, removable bottle opener, and adjustable dividers for neat organization.
- Safety Certified**
ETL Listed and ETL Sanitation certified for commercial-grade reliability.

PRODUCT OVERVIEW

The IceVault Series IVBC26 Bottle Cooler is designed for bars, restaurants, and catering setups. With a 4 cubic feet capacity, it stores up to 104 bottles of 12 oz. or 156 cans of 12 oz., providing versatile beverage storage. Built with an aluminum interior and black vinyl-coated steel exterior, it offers durability and easy cleaning.

The solid sliding lid includes a keyed lock for secure access and comes with a removable bottle cap opener, cap catcher, and adjustable dividers to organize contents efficiently. Measuring 26.4" (W) x 28" (D) x 34.2" (H), this freestanding cooler operates on a 1/3 HP compressor with R290 refrigerant to maintain temperatures between 33°F and 40°F. It runs on 115 V, 1 phase, 60 Hz, and 2.4 A with a NEMA 5-15P plug for standard electrical connections.

The stainless steel lid provides durability during repeated use, and the single sliding lid allows convenient access to stored beverages. Designed without casters for stationary placement, it remains stable in busy environments. Certified ETL Listed and ETL Sanitation Listed, it meets commercial foodservice standards.

This wine beverage cooler is backed with a 1-year parts and labor warranty and a 1-year compressor warranty, supporting reliable operation in daily use.
