- ✓ **Low-Maintenance Design**
Auto-defrost function reduces cleaning time and keeps the prep table running efficiently.
- ✓ **Certified Safety**
ETL Listed, ETL Sanitation Listed, and NSF Listed to meet strict commercial food safety standards.

PRODUCT OVERVIEW

The ChillCore Series CCPT70 Pizza Prep Table is a high-performance commercial kitchen appliance designed for pizzerias, restaurants, and catering operations. Built with stainless steel exterior and interior and finished in sleek silver, this unit provides reliable food storage. Ideal for prepping pizzas, salads, and fresh ingredients, it accommodates nine 1/3-size pans and features a hinged top lid for secure ingredient organization.

It is equipped with digital temperature control and an LED display and maintains a consistent range of 33°F to 41°F. Operating on 115V, 60 Hz with 2.8 amps and 1/5 HP, this commercial pizza prep table connects with a NEMA 5-15P. Cooling is powered by R-290 refrigerant with a 4.76 oz capacity. Its auto-defrost feature simplifies maintenance. Inside, two adjustable shelves provide flexible storage for organized ingredient management.

Measuring 70" (W) x 31.5" (D) x 43.87" (H), this freestanding prep table comes with four casters for easy mobility. The two left/right-hinged solid swing doors make ingredient retrieval effortless. Certified ETL Listed, ETL Sanitation Listed, and NSF Listed, the unit meets strict food safety standards. Backed by a 6-month warranty, it is the ideal foodservice equipment solution for chefs seeking reliability.
