**WARRANTY**

**1 Year Parts & Labor**

### SPECIAL FEATURES

- ✔ **Vertical Spit System**  
Vertical gyro design supports commercial kitchen shawarma and kebab roasting operations.
- ✔ **Adjustable Base**  
Adjustable distance base supports positioning of meat relative to heat source.
- ✔ **Certified Equipment**  
cETLus Listed, ETL Sanitation Listed, and NSF certified for commercial kitchen use.
- ✔ **Infrared Burners**  
Three infrared burners provide a combined output of 39,000 BTU for cooking applications.
- ✔ **Dual Fuel Compatibility**  
Compatible with natural gas and liquid propane for flexible installation options.
- ✔ **Warranty Coverage**  
It includes a 1-year parts and labor warranty by the manufacturer.

## PRODUCT OVERVIEW

The ProKitchen Series Vertical Gyro / Kebab Shawarma Machine is designed for restaurants, kebab shops, and commercial kitchen grilling applications. Constructed from stainless steel with a silver finish, the unit features a vertical spit system with gas infrared burners for controlled roasting operations. The design supports continuous rotation for uniform cooking of stacked meat preparations.

The machine measures 21" (L) x 24" (D) x 31" (H). It includes a 24" spit length and supports a maximum meat diameter of 16". The structure includes an adjustable distance base, oil inflow drain, and stainless steel shovel for handling food during operation. The unit has a loading capacity of 55 lbs.

This gyro machine operates on 120 V, 60 Hz, single-phase power and includes a 60-inch power cord with a NEMA 5-15P plug. It uses gas infrared burners with a total output of 39,000 BTU across three burners rated at 13,000 BTU each. The system operates at 4 RPM rotation speed and includes a manual control system with three control knobs and an on/off switch.

The temperature range spans from 122°F to 572°F, supporting varied cooking requirements. The unit is compatible with natural gas and liquid propane with a 1/2" gas inlet size. It is cETLus Listed, ETL Sanitation Listed, and certified to NSF standards. The machine includes a 1-year parts and labor warranty by the manufacturer.
