- ✓ **High-Capacity Design**
1500 qt capacity accommodates large quantities of stored items.
- ✓ **Flexible Shelf Layout**
Adjustable style allows repositioning across 5 shelves.
- ✓ **Ventilated Structure**
Vented style supports airflow around stored items.

PRODUCT OVERVIEW

The ChefPro Series CPCS24x72 Shelving Kit is ideal for dry environments, front-of-house spaces, garages, kitchens, retail areas, stock rooms, and warehouses needing organized storage for supplies and equipment. Made from metal wire in a silver color with a chrome finish, it offers a 1500 qt capacity and a 24" x 72" size suited for high-volume storage needs.

Designed in an adjustable, stationary, vented style, this kit includes 5 shelves that support airflow and visible access to stored items. Overall dimensions measure 72 in (H) x 24 in (W) x 72 in (D), providing tall, wide storage space to accommodate larger inventory, cartons, and equipment while maximizing usable area in commercial setups.

NSF Listed construction aligns with commercial storage requirements, making it suitable for professional environments across multiple industries. Built for long-term organizational use in fixed installations, this shelving kit includes a 1-year limited warranty for reliable protection during regular operation.
