Electronic control system maintains a consistent 33°F to 41°F range to keep ingredients fresh.
- ✓ **Airtight Seal**
Magnetic door gasket allow doors to remain sealed for temperature retention.
- ✓ **Easy Mobility**
Four casters allow movement in busy commercial kitchens.
- ✓ **Certified Safety**
ETL Listed, ETL Sanitation Listed, and NSF Listed for compliance with foodservice standards.

PRODUCT OVERVIEW

The ChillCore Series CCST36 Sandwich and Salad Prep Table is a commercial refrigeration solution built for hotel kitchens, restaurants, and cafes. Constructed from durable stainless steel with a sleek silver finish, it offers long-lasting strength. This mega-top freestanding prep table is designed for high-volume sandwich and salad preparation, offering capacity for 15 pans (1/6 size).

With two solid left/right swing doors, it provides secure ingredient storage and convenient access. Powered by a reliable 115V, 60 Hz, 1-phase system with a NEMA 5-15P plug, the unit operates at 5.3 amps. The electronic control system maintains a consistent temperature range of 33°F to 41°F. It uses R-290 refrigerant with a 2.99 oz capacity for reliable cooling. The self-closing doors with a 90° stay-open feature improve workflow efficiency.

The magnetic door gasket offers an airtight seal. Inside, two adjustable PVC-coated wire shelves allow flexible storage options. Measuring 36.25" (W) x 34" (D) x 45.9" (H), this commercial prep table includes four casters for easy mobility. The hinged lid top provides quick access to pans during peak service hours. Certified ETL Listed, ETL Sanitation Listed, and NSF Listed, the unit is backed by a 6-month warranty.
