WARRANTY

Parts & Labor: 2 Years
Compressor: 6 Year

SPECIAL FEATURES

- ✓ **High Ice Production**
Produces up to 500 pounds of full-size ice cubes daily with 375-pound storage capacity, perfect for high-volume commercial operations.

✓ **Extended Warranty Protection**
Comprehensive 2-year parts and labor warranty, plus 6-year compressor warranty for long-term peace of mind.

✓ **Safety Certified**
ETL Sanitation and cETLus Listed certifications ensure compliance with safety and sanitation standards.

✓ **Simple Maintenance**
Elevated design with 6.3-inch legs enables easy cleaning and maintenance underneath the unit.

✓ **Insulated Storage**
Integrated insulated bin maintains ice quality and reduces melting, ensuring consistent supply availability.
- ✓ **Commercial Grade Durability**
Built with stainless steel construction and nickel-plated evaporator for anticorrosive protection and long-lasting performance in demanding environments.

✓ **Energy Star Certified**
Meets strict energy efficiency guidelines, helping reduce operational costs while maintaining high performance.

✓ **Easy Installation**
Features 6-foot power cord with NEMA 5-15P plug, running on standard 115V, 60 Hz single-phase power.

✓ **Space-Efficient Design**
Compact footprint measuring 29.9" W x 32.7" D x 67.6" H optimizes kitchen space utilization.

✓ **Eco-Friendly System**
Utilizes R-290 refrigerant in air-cooled condenser system for environmentally conscious operation.

PRODUCT OVERVIEW

This commercial ice machine with bin is built for heavy-duty use and high-volume ice production. Crafted from stainless steel with a silver finish, it delivers up to 500 pounds of full-size ice cubes every 24 hours and stores up to 375 pounds in its insulated bin—ideal for restaurants, hotels, or foodservice operations.

It features an air-cooled condenser, runs on 115V, 60 Hz, single-phase power, and connects via a 6-foot power cord with a NEMA 5-15P plug. The system uses R-290 refrigerant and is designed with an anticorrosive, nickel-plated evaporator, helping ensure long-lasting performance and cleaner ice.

The unit stands on 6.3-inch legs for easy cleaning underneath. Overall dimensions are 29.9" W x 32.7" D x 67.6" H, and it's sold 1 per unit. Certified Energy Star, ETL Sanitation, and cETLus Listed, this ice machine is backed by a 2-year parts & labor warranty and a 6-year compressor warranty, offering confidence in long-term use.
