1 Year Warranty

SPECIAL FEATURES

- ✓ **Eight-Tub Capacity**
The cabinet holds up to eight 10" x 10" 3-gallon ice cream tubs for frozen dessert service applications.
- ✓ **Sliding Glass Doors**
Two sliding glass doors provide access to stored items while supporting product visibility in dessert service areas.
- ✓ **Mobile Cabinet Design**
Four casters, including two with brakes, support movement and positioning within commercial foodservice environments.
- ✓ **Wide Temperature Range**
The temperature range of -15°F to 8°F supports storage and serving requirements for ice cream and frozen treats.
- ✓ **Interior LED Lighting**
Interior LED lighting illuminates the cabinet contents for ice cream shops, cafeterias, and dessert bars.
- ✓ **Certified Construction**
The freezer is cETLus Listed, ETL Sanitation Listed, meets UL and NSF standards, and includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Ice Cream Dipping Cabinet Freezer is designed for ice cream shops, candy stores, dessert bars, and cafeterias. This commercial freezer features a 13 cu. ft. capacity and holds up to eight 10" x 10" 3-gallon ice cream tubs. The storage configuration accommodates 6 display tubs and provides additional frozen storage capacity for foodservice operations.

The cabinet is constructed with a powder coated steel exterior in a white finish and a precoated steel interior. It measures 49.6" (W) x 28" (D) x 34.5" (H). Foamed-in-place polyurethane insulation surrounds the cabinet structure. The unit includes two sliding glass doors with a door lock and interior LED lighting for product visibility.

This electric ice cream dipping cabinet operates on 115 V, 1 phase, 60 Hz power and draws 4 amps. It features a 2/5+ HP refrigeration system using R-290 hydrocarbon refrigerant. The manual temperature control maintains temperatures from -15°F to 8°F for frozen dessert storage and serving applications.

The freezer includes four casters, with two locking and two non-locking casters for mobility. Additional features include manual defrost operation, a rear drain plug, shelves, tub holders, and a coated wire basket. The unit uses a NEMA 5-15P plug with a 5.91 ft power cord. It is cETLus Listed, ETL Sanitation Listed, and compliant with UL and NSF standards. It includes a 1-year warranty by the manufacturer.
