## PRODUCT OVERVIEW

The ChillCore Series CCRM6 Merchandiser Refrigerator is designed for retail, café, and service environments that need efficient cold storage with clear visibility. Built with metal and a glass door, it combines durability with easy product display. Measuring 21.2 (W) x 21.3 (D) x 63 (H) inches, this freestanding unit provides compact storage while fitting seamlessly into narrow spaces.

This glass door back bar merchandiser has a 6.5 cu. ft. capacity with three wire shelves, accommodating a variety of items in one section. Adjustable shelving allows flexible organization for different product sizes, while a keyed lock provides controlled access.

Digital temperature control maintains a range of 33°F to 41°F, and LED lighting enhances visibility for easy stock checks. Auto defrost functionality reduces manual maintenance, supporting efficient daily operation. Equipped with a bottom-mounted 1/6 HP compressor and 205 W power, the unit uses R-290 refrigerant for energy-efficient cooling. Four swivel casters, two with brakes, allow mobility and secure placement.

Constructed with polyurethane foam insulation, it maintains consistent temperatures and meets ETL Listed and ETL Sanitation certifications. Backed by a 1-year warranty, the ChillCore Series Merchandiser Refrigerator provides reliable, visible, and organized storage for chilled products.
