SPECIAL FEATURES

- ✓ **Ample Storage**
49 cu. ft. capacity provides room for a wide variety of refrigerated items.
- ✓ **Organized & Adjustable**
Two solid swing doors divide storage, and eight adjustable shelves let you arrange items efficiently.
- ✓ **Clear Visibility**
LED interior lighting enhances visibility, making it easy to locate items.
- ✓ **Low Maintenance**
Auto defrost minimizes manual cleaning and keeps operation efficient.
- ✓ **Safe & Compliant**
NSF, DOE, and cETLus listed for safe and compliant operation.
- ✓ **Durable Construction**
Stainless steel body in silver finish offers strength and easy cleaning for daily use.
- ✓ **Secure Storage**
Key lock and magnetic door gaskets protect stored items while maintaining proper temperatures.
- ✓ **Precise Cooling**
Digital controls maintain temperatures between 33°F and 41°F for consistent performance.
- ✓ **Easy Mobility**
Four swivel casters, two with brakes, allow smooth movement and stable positioning.

PRODUCT OVERVIEW

The ChillCore Series CCSRR54 solid door fridge is designed for commercial kitchens that need durable, reliable cold storage. Constructed from stainless steel in a silver finish, it combines strength with easy cleaning for daily use. With 49 cu. ft. of storage across two sections, this freestanding refrigerator measures 54.5 (W) × 31.5 (D) × 84 (H) inches, keeping a variety of products organized and easily accessible.

Two solid swing doors with magnetic gaskets and a key lock protect your items while LED interior lighting offers clear visibility. Eight adjustable shelves provide flexible organization, and a door alarm alerts staff if a door is left open. The power usage is 1.5 KW per 24 hours, making it energy-efficient for busy kitchens.

Precise digital temperature controls maintain cooling between 33°F and 41°F, while auto defrost reduces manual maintenance and keeps operation efficient. The unit operates on 110 V/60 Hz with a bottom-mounted compressor delivering 345 W and uses environmentally friendly R-290 refrigerant.

Mobility is easy with four swivel casters, two with brakes, while NSF, DOE, and cETLus listings provide safe, compliant operation. This refrigerator comes with a 1-year warranty, making it a dependable choice for commercial kitchens.
