PRODUCT OVERVIEW

The ChillCore Series CCBBC53 Back Bar Cooler is a portable drink cooler designed for bars, restaurants, and hospitality venues that require organized, efficient beverage storage. Constructed from stainless steel in a silver finish, it delivers durable performance and easy cleaning for daily commercial use.

With a 12 cubic feet capacity, this cooler holds up to 347 cans or 183 bottles. Three swing glass doors with double-layer, low-E glass and interior LED lighting provide clear visibility while maintaining insulation. Fingerprint-resistant surfaces and a keyed lock add cleanliness and security.

Measuring 53 (W) x 21 (D) x 33 (H) inches, the counter-height unit fits under standard counters or freestanding spaces. Six adjustable wire shelves allow flexible organization. Digital temperature controls maintain 33°F to 41°F, and automatic defrost reduces manual maintenance.

A bottom-mounted, front-ventilated compressor with R-290 refrigerant ensures quiet, energy-efficient cooling. Certifications include ETL Listed and ETL Sanitation Listed. A 1-year limited warranty provides professional reliability.
