WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **Fixed-Speed Design**
  The fixed-speed compressor type reflects the specification provided for consistent operation in commercial kitchen refrigeration equipment.
- **Standard Electrical Rating**
  The 115 V and 60 Hz electrical specifications match commonly used power setups in commercial kitchens.
- **Freezer Compatibility**
  Designed to fit 54" freezer models as listed, supporting proper integration during equipment servicing.
- **High Horsepower**
  The 1 HP rating aligns with the listed usage across reach-in and undercounter refrigeration systems in restaurant environments.
- **R290 Refrigerant Use**
  The compressor is specified for R290 refrigerant systems used in commercial refrigeration applications.
- **Warranty Inclusion**
  It includes a 1-year warranty by the manufacturer, supporting maintenance planning in food handling operations.

PRODUCT OVERVIEW

The Medal Equipment fixed-speed compressor is designed for commercial kitchen refrigeration systems used in restaurants and foodservice operations. It is specified for reach-in refrigerators, undercounter refrigerators, prep tables, and bottle coolers in food handling environments.

This compressor operates at 1 HP with a 115 V electrical requirement and a 60 Hz frequency. These specifications align with standard power configurations commonly used in commercial kitchen refrigeration equipment.

The unit uses R290 refrigerant and is intended for systems designed around this refrigerant type. It is listed as compatible with 54" freezer models, supporting accurate equipment matching during replacement or service.

Supplied as a compressor component, this unit features a fixed-speed compressor type. It includes a 1-year warranty by the manufacturer, supporting structured maintenance planning in commercial kitchens.
