- Open Front Access**
 Doorless open front design supports direct access for food display and merchandising.
- Shelf LED Lighting**
 LED lighting on every shelf supports visibility for retail and bakery display setups.
- Certified Unit**
 CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified with a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series Curtain Merchandiser is designed for commercial kitchen, supermarket, and bakery display applications. It features a freestanding installation type with a doorless open front access design. The unit measures 51.57" (W) x 27.17" (D) x 78.73" (H).

The structure is built with powder coated steel and glass in a black finish. It includes adjustable shelving across 4 shelves and provides a display size of 17.22 sq.ft. for organized food presentation in retail and food service environments.

This unit offers a capacity of 18.08 cb3 and operates with ventilated cooling, a finned evaporator, and a bottom mounted compressor. It uses R404a / R290 refrigerant with a thermostatic expansion valve, automatic defrost, and automatic drain water system.

LED lighting is installed on every shelf. It includes a night curtain and operates with a digital controller featuring Dixell controller brand integration and EBM evaporator fan brand components. The unit is CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified, and includes a 1-year warranty by the manufacturer.
